Awards

Great design ensures our products function as good as they look.

Since 1913, Aladdin has been consistently recognised with leading design awards due to the quality of our design innovation, the materials used and the way our products are made. These honour our passion for creating great reusable products to help customers enjoy food and beverages anywhere, while protecting the planet.

Custom print programme

With the Aladdin Custom print programme you can promote your brand with a trendy, durable and sustainable product that enables people enjoying their favourite food and drinks anywhere. We partner with great companies to reduce single-use containers and help make the world a better and cleaner place.

By printing your message or logo on an Aladdin product you have the perfect platform to promote your business and give a gift that anyone will love all year round.

Connect with the Aladdin Custom Print Team for more details at: custom-print@pmi-worldwide.com

Icons

Aladdin product packaging uses icons to identify key product features.

*Our criteria for hot and cold testing is based on FDA standards and the thermal performance test procedure is done by measuring the time that takes for the content's temperature change from 95°C to 60°C for hot and from 1.67°C to 10°C for cold, while the outside temperature is held at 23°C.

What is eCycle?

eCycle® was born from passionate Aladdin employees looking for a way to make a difference. Their dedication to living sustainably was infectious, and today we not only produce products made from recycled materials, we incorporate green practices wherever and whenever possible. eCycle® is good stuff. It is Aladdin's proprietary material made of 100% recycled plastics that is also recyclable where ♻️ plastic is collected.

All products made with eCycle® are BPA-FREE on food contact surfaces.
